Dear Mr. Collins:

The Radio Club of Smith College has been assigned the call letters WCSR by the FCC for its radio station. As we will be ready for production September 20, your permission to play records of ASCAP music is desired as soon as possible.

The station is a non-commercial, educational station serving solely the 2400 students of Smith College, Northampton, Mass.

I shall come to your office Wednesday, September 15 in the hope that your gratuitous license will be ready for us by that time.

Thank you for your prompt assistance in this matter.

Sincerely yours,

Louise Deitz
Executive Secretary of the
Radio Club of Smith College.
